

RALLY POINT PILLARS

THE ASK

Who are our service members & veterans?

WELCOME HOME!

Are there any veterans here NOT connected with the VA?

Why do we ask?

Where we get veterans connected to the VA, we reduce suicide by 70%

THE OATH

"I promise to my fellow service members, veterans and family that when facing my demons I will not take my own life. But, I will reach out to my battle buddy because the battle cannot be won alone."

Why do we take the oath?

We all took an oath to defend this great nation. We would never leave a brother or sister behind on the battlefield. Now, as veterans, our new battlefield is the battle for home.

We served TOGETHER! Let's bring our heroes home TOGETHER!

THE CHALLENGE

This Rally Point is a mission under our Operation Reach One More and that is exactly what our challenge is to you: **REACH ONE MORE!**

HOW?

Go out into the community and reach one more veteran or service member.
Get them connected to a Rally Point

Write your name and number on the Oath Card and give it to another veteran or service member.
Be a Battle Buddy and don't forget to invite them to a Rally Point with you!
